RESILIENCE & PREPAREDNESS PROJECT GROUP WEBINAR

Topic: Disinformation and the importance of public trust in data

Join us for rescheduled inaugural webinar of the EUROSAI Resilience & Preparedness Project Group!

We are pleased to invite representatives from SAIs across EUROSAI to a webinar exploring disinformation and the importance of public trust in data.

We will be joined by a variety of speakers: Ed Humpherson, Director General for Regulation at the UK Office for Statistics Regulation, Petr Kučera, Data Scientist at the Technology Centre Prague, Nikola Hořejš, member of the Crisis Information Team at the Czech Republic Ministry of Interior, and Michal Pleticha, Counsel to the President at the Supreme Audit Office of the Czech Republic. We look forward to hearing their insights on this pressing issue.

There will also be opportunities during the event to share insights and experiences of addressing this issue in your work with colleagues.
